

Announcing the Winners of the Photography Competition

The three categories of entries, Happy Places, Inspiration and New Skills were judged by Lynn Bowman and Andrew Marzolini, EoE Board of Management members.

All entries received by judges had been anonymised so we did not know the details of the entrants. We would like to say thank you to everyone who took part in our competition.

There were many super images submitted in all three categories and Lynn and I had a long discussion before selecting and agreeing on the winners in each category.

With so many fantastic photos it wasn't an easy task to do. We are hoping to publish all of the entries on the HASSRA Flickr account very soon.

We will have more competitions and giveaways coming soon.

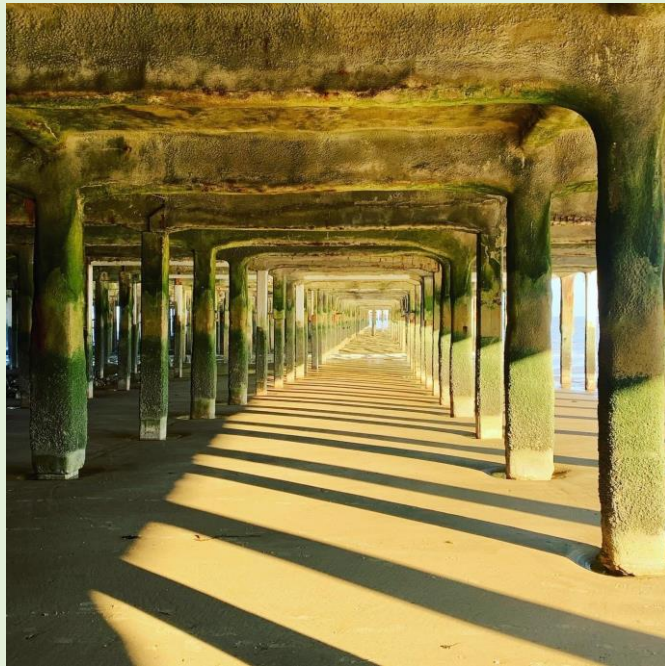

Andrew Marzolini (Vice Chair)
Lynn Bowman (Lifetime Vice-President)
