

HASSRA 75th Anniversary

West Midlands Regional Charity Nomination

2010 is a year of celebration for everyone associated with HASSRA as we mark the 75th anniversary of the association. To mark the occasion HASSRA is aiming to raise £75,000 nationally for charity.

We all know our local clubs do a wonderful job raising money for their own local charities throughout the year and in each edition of WestWorld we showcase some of the fundraising activities. Here in the West Midlands we are looking to nominate our own regional charity to mark the 75th anniversary and to raise money for them throughout the year during the various regional events.

Members this is where we need your help!

HASSRA West Midlands is seeking nominations for a regional charity for 2010. The only condition is that the charity must be associated with the West Midlands and not a national charity, for example the West Midlands Air Ambulance. If you would like to nominate a West Midlands based charity please email your suggestions to Gareth.Niblett@jobcentreplus.gsi.gov.uk including a brief background to the charity and why they should be nominated.

HASSRA Herefordshire just one of our regional clubs who make a magnificent contribution to charity each year.
