

HASSRA NW Members Invitation

The Skin Health Spa is at the forefront of cosmetic treatments and skincare in the UK. As a special treat for some working professionals in Manchester; along with the massive demand for our previous promotions, we would like to invite the members of HASSRA NW to come and receive the ultimate makeover experience by providing a range of our most popular treatments for more than **85% less** than the usual cost!

We have created 2 Skincare Pamper Card promotions to choose from (**sorry, you can only choose one!**). Here is what you receive.

Deluxe Skincare Card: Receive all 3 treatments below which are normally valued at **£420**, you receive **EVERYTHING** for **£49.95!**

Visit 1: Microdermabrasion Treatment: A superb skin enhancement treatment, which promotes healthy skin. Great mechanical exfoliation used to treat wrinkles and lines along with pigmentation problems and scarring. (Normally valued at £85)

Visit 2: Single Transderm Treatment: A fantastic treatment that uses mild electrical current to open up the skin barrier and allow the deep penetration of collagen activating serums and nutrients. (Normally valued at £185)

Visit 3: Single Laser Hair Removal Treatment (choice of Bikini, Underarm or Chin Laser session). Laser Hair Removal can help you eliminate the need for shaving and waxing leaving you to enjoy smooth skin all day every day. (Normally valued at £150)

Premier Skincare Card: Receive all 4 treatments below which are normally valued at **£670**, you receive **EVERYTHING** for **£89.95!**

Visit 1: Microdermabrasion and Transderm Treatment: A superb skin enhancement treatment, which promotes healthy skin. Great mechanical exfoliation used to treat wrinkles and lines along with pigmentation problems and scarring along with the fantastic Transderm treatment that uses mild electrical current to open up the skin barrier and allow the deep penetration of collagen activating serums and nutrients. (Normally valued at £285)

Visit 2: Single Laser Hair Removal Treatment (choice of Bikini, Underarm or Chin Laser session). Laser Hair Removal can help you eliminate the need for shaving and waxing leaving you to enjoy smooth skin all day every day. (Normally valued at £150)

Visit 3: Dermaquest Derma Roller Facial: Even the stars of Hollywood are using this treatment to give their skin a smooth and youthful glow. The revolutionary device is covered in 300 micro needles that are gently passed over the skin. It stimulates the collagen and elastin production in the skin without damaging it. (Normally valued £185)

Visit 4: Jan Marini Skin Care Facial: This state of the art product is formulated using the highest quality ingredients and most advanced technologies to mitigate the impacts of ageing and specific conditions such as acne, resulting in a more youthful, clear skin. (Normally valued at £85)

Included in each visit there is an exclusive bonus chart giving you the chance to upgrade your visits and make even more of a saving!

So, why are we doing this?

We believe providing something this good can be the best means of creating some fantastic word of mouth advertising for the Spa along with introducing people to it in the process. And yes, while available you are more than welcome to buy these as gifts!

Note: This is a limited number promotion so we apologise to anyone who misses out in advance! Buyers also need to give their membership card no# when booking.
