Information

- ◆ **Nominations needed for HASSRA South East Annual Awards** - At our recent Training Day, I told delegates that we simply do not get sufficient nominations for regional awards and we know that in your Clubs there are very deserving people who do so much for the benefit of others. And your Club itself deserves recognition for all it does for members.

Club - wise, all we require is completion of a straightforward Proforma – and just for making a bona fide submission the Club gets £25 as well as being considered for Best / Runner-Up Club in both small and large Club categories plus a Highly Commended with considerable money awards for the winners. This year also features a new award for the Club introducing a significant Innovation for the benefit of members! Get the Club pro-forma by clicking on the link below. Download it onto your computer, complete the form and save it. Attach it and send it on to the HASSRA South East inbox (email address above) [Club Proforma](#).

Individuals can get nominated for a regional Merit Award and/or one of the specific awards including: Volunteer of the Year, Business Sponsor, Sportsperson of the year, Personality, Arts and Craft Contributor, and best Newcomer – [Award Proforma](#). For further help in completing the form [click here](#).

So I urge you all to think seriously this year about the people in your locality who thoroughly deserve consideration and let us know – just a few lines will do, if we need anything more we’ll let you know. And each Club should think seriously about submitting an entry for Best Club.

Last but not least, the regional AGM is an important event for your Club so please make sure you have at least one attendee (we allow two from each Club).

I hope to see you on 15 March – **Paul W**
