# Welcome to the first Livelif edition of 2023

So far this year we've seen the Coronation of King Charles III, I'm sure most of the nation were watching this spectacular event and celebrating with family and friends at street parties. Liverpool hosted this years 67th Eurovision Song contest, the extravaganza held in the UK for the first time in 25 years. The UK came 25th sadly, but the London singer-songwriter Mae, captivated the audience, with her hit single I Wrote A Song.

HASSRA have also celebrated this year, our Major awards took place on the 11th May at Warwick University, see pages 4 & 5 for the results and all the photos of our wonderful members who gave so much to the Association throughout 2022. Volunteers are the beating heart of HASSRA, without them our local and regional programme wouldn't exist. Well done to joint winners in this category Lyndsey South (Y&H) and Nigel (Rocky) Williams (Wales).

Last years September festival was cancelled due to the passing of Queen Elizabeth and was rescheduled to March 31st – 2nd April. Teams from across the regions attended the event and participated in activities from a pop quiz to a triathlon check out pages 6 & 7 to see the results and participants. We are now in preparation for the coming July festival and look forward to welcoming you back to Warwick University.

As the cost of living continues to rise, HASSRA is giving its members even more chances to win lots of fantastic prizes, and also our ever-popular summer promotion returns (see page 12 for more details). The HASSRA Lottery also gives our members a real chance of winning big. And unlike other lotteries, HASSRA Lottery prizes are GUARANTEED in every draw.

HASSRA has something for everyone, and more members means bigger and better offers for us all. Remember to spread the HASSRA message to all your colleagues, new and old, and encourage them to be part of something really special where you work.

Spread the **HASSRA** message to all your colleagues, new and old, and encourage them to be part of something really special.

# The HASSRA Lottery really is your best bet!

A massive **£15,000** jackpot is up for grabs, with **£10,000** for the runner up and two **£5,000** prizes.

120 guaranteed winners get to share the huge monthly prize pot of **£63,000**.

It costs just £1 to enter the draw, and you can buy up to 20 entries each month to increase your chances of a win. Compare this with most major UK lotteries, where you must guess a sequence of numbers, often resulting in no overall winners for weeks on end or having to share your win with others.

The HASSRA lottery held its first ever double money draw last October, and you'll be delighted to hear that we will be repeating it again this year, so for a chance to win £30,000 this October don't delay sign up today!

# HASSRA Men's Hockey – Hancock & Evans 2023

The **HASSRA Men's** national hockey side travelled to Nottingham to compete in the annual **Hancock & Evans** tournament held at Beeston Hockey Club.

The tournament which is held across 2 days brings together teams and players representing a number of areas of the Civil Service from all across the country for friendly but competitive hockey with the opportunity for teams to win the cup or the plate following a league round robin on day 1. The tournament also acts as a 'scouting event' to identify potential players for the CSSC Rep team, who compete against the Armed Services each year.

With HASSRA missing a number of players due to unavailability and being drawn in a league with last years cup finalists, the first day was a struggle for the side with heavy defeats in 2 games leaving the team third in the group.

However, not feeling demoralised the team vowed to regroup with the aim of winning the plate tournament as they had successfully done in 2021 and 2022.

On day 2 a rejuvenated HASSRA side significantly improved their performance in their final 2 games, ensuring HASSRA were crowned winners of the plate for the third year running.

During the presentation the team picked up further recognition with Lawrence Payne receiving the Sportsmanship award from the organisers of the event and Paul Atherton winning the Player of the Tournament after receiving the most votes from the umpires officiating the games over the 2 days.

# National Team Squash event

The CSSC National Team Squash Event again returned to the popular Nottingham Squash Club which is now under new management. This year **HASSRA** fielded an even stronger line up than last year entering three teams in an attempt to retain the title they had won last year. Last year's runners-up North West however had arrived with a strengthened team in the form of a new number one player and had plans of their own to steal the title away from HASSRA.

However, what they hadn't bargained for was a further strengthened set of HASSRA players and better still for HASSRA A team to have their own new number one player, ex professional James Earles, who is currently ranked 40 in the England Squash rankings and in the top 200 of the world!

The final between **HASSRA A** and North West saw the two strongest players in the Tournament face each other, HASSRA A triumphant with a 5-0 match score and impressively none of the A team losing a single match!

**HASSRA B** led by experienced captain Peter Fielding continued to highlight HASSRA overall success story by defeating **HASSRA C** in the Plate Final.

Team Manager Siân Hughes was delighted with the wins and thankful for being able to assemble such strong line ups to win both the Main Event and the Plate Competition. Special thanks go to all the players who participated and in particular to James Earles who's first outing for HASSRA hopefully won't be his last!

If you play club standard squash please get in touch as we are always looking for new players, so if you are interested please contact our HASSRA Squash National Team manager, Siân Hughes.
