New season... new editor

Welcome to the Spring 2024 edition of Livelife and my first as editor. It's an exciting time to be involved in **HASSRA Communications** with two recent developments to share with you – Message Boards and WhatsApp Channels – but more about them later in the magazine.

In the wider world – after 29 days of fasting, praying and charitable donations, the month of Ramadan ended as the new crescent moon was sighted. This signalled the beginning of celebrations, time to dress up, enjoy something sweet to eat to and head for the Eid ul Fitr prayers. Eid Mubarak to all HASSRA members who observed the fast and are now celebrating.

HASSRA celebrates a momentous milestone next year reaching our 90th Anniversary. Celebration preparations are underway and I would love to hear your ideas on this too, so please send them to <u>hassracommunications.</u> <u>andmarketing@dwp.gov.uk</u> and we will see which ones we can make happen. Anniversaries make me nostalgic and recollect past HASSRA events and friendships forged. I would love to include some historic news items in the magazine – a "Yesterday's News" item perhaps featured before in a newsletter - have a think and share your stories with me – hoping to bring back some happy HASSRA memories. Same inbox as before and I'll feature as many as I can.

HASSRA teamed up with Virgin Wines to launch the latest competition on HASSRA Live – to be in with a chance of winning a mixed case of wine make sure you enter. The ideal refreshment to enjoy in your garden – and if you were lucky to win a B&Q Voucher in our last competition, your garden must look fabulous.

Planning your summer vacation or stay-cations? Check out our discounted holiday offers on HASSRA Live. If you can bear to think about Christmas, see also our offer for a European Cities Christmas Market River Cruise in partnership with Fred Olsen later in this edition.

In partnership with:

I'm already looking forward to the next edition. I'll bring you all the news from the Annual Awards Evening held in May – just need to get my outfit sorted.

Plymouth Clearbrook House appears to be awash with lucky members. With no less than three jackpots in just over a year, plus other big prize winners, Plymouth seems to be riding a wave of fortune.

Lin, a recent £10,000 winner from Plymouth, tells us about her win.

"I joined HASSRA during my induction to what was then the Child Support Agency in 2005, also joining the HASSRA Lottery at the same time. I originally had two tickets per month and then increased it to the crazy amount of five tickets.

I love HASSRA with the outings, competitions, activities and offers. I have taken advantage of discounted cinema tickets and lots of shopping trips. But until now, I had never had a win on the Lottery.

Let's go the extra mile together,

it's FREE plus you could win an Apple Watch!

As a **HASSRA** member why not sign up to take part in the <u>Charity for Civil Servants'</u> <u>Mega Miles Challenge</u> this May. You can join a community of people strolling, walking, jogging, and even running, to support colleagues that need our help right now.

Every mile matters and every penny raised will help fellow civil servants through tough times.

Together, let's see how far we can go!

JOIN THE MEGA MILES ENALLENGE FOR FREE As a wellbeing officer at DWP, Sharon, who is also a HASSRA member, knows the importance of community spirit, especially when it comes to helping the most vulnerable...

"I always talk about the importance of getting outside, doing some exercise and having a break away from your desk, especially as the type of work we do can be quite stressful.

I think the Mega Miles Challenge goes hand in hand with that. For me, it's power of friendship and giving something back, it's really important to me."

Sign up for the Mega Miles Challenge before 1 May and join Sharon and countless others across the Civil Service as they get involved to help colleagues in need.

You'll also be in with a chance of winning an Apple Watch worth £399!

There are two up for grabs thanks to the generous support of the Civil Service Insurance Society. T&Cs apply.

Charitable Fundraising

As always **HASSRA** Clubs and their members have been busy and imaginative raising funds for charity in a variety of different ways and in doing so have raised an absolutely fabulous **£122,655 in 2023** – a massive well done to everyone out there who has contributed in some way – it's a fantastic achievement.

In particular, HASSRA North West deserve a mention for their staggering success in raising over £26k for various good causes throughout the year.

Here are the fantastic regional totals raised in 2023.

Charities who benefited from HASSRA include Macmillan, Children in Need, The Poppy Appeal, Wythenshawe Neo-Natal Unit, Charity for Stray Dogs, Rachel House and Knights Templar Charity Cowdenbeath.

There are more ways to support charities than by direct donations. HASSRA Trafford Quays provided funds for their members to purchase supplies to knit baby blankets and make cakes which they then sold to raise funds for charity.

As well as donating money, our members in Grangemouth and Cowdenbeath for example have provided clothing, selection boxes and food to support good causes particularly for children in deprived areas.

Please keep doing what you have been doing – the charities really appreciate your efforts and generosity. We also want to shout about your efforts from the rooftops, so please get in touch at <u>hassracommunications.andmarketing@dwp.gov.uk</u> to tell us what you have been up to in the name of charity!

HASSRA Development Fund

The **HASSRA Development Fund** is here to help you achieve your best in your chosen activity and has funds to help you overcome financial barriers to accessing your activity and making progress.

The fund is available to assist HASSRA members with a wide range of activities in the following categories:

Sports & Leisure – developing skills in your chosen activity where you can show you have an existing interest and potential to go on and do more. Examples in this category include sports (including coaching and refereeing), arts and crafts.

Volunteering – developing your potential to serve HASSRA or your local community where you can show you have an existing interest and potential to go on and do more. Examples in this category include life skills coaching, youth worker, scout or guide leader, and so on.

With additional funding provided by the CSiS Charity Fund, members who consider themselves to be disadvantaged or to have a disability may apply under

the above categories for help to take up a new activity or to realise their potential in an existing activity.

> Over 1,500 members have applied for funding so far with applicants achieving success at all levels, demonstrating HASSRA's commitment to both non-disabled and disabled members throughout the Association.

Phil Prjanikov, tells us how the Development Fund has helped him:

"The support of the HASSRA Development Fund came as a massive help as I made my way to Florida to represent England at the 2023 Footgolf World Cup, along with my wife Debi as my nominated caddy.

Previous funding from HASSRA allowed me to attend more competitions in the lead up to the World Cup and this support helped me to qualify for the national squad representing England in Florida 2023.

I was introduced to Footgolf at a HASSRA event by Andrew 'Sensei' McCourt and have been hooked ever since. It's a hobby/sport that has given me something to focus on after stopping playing football.

With HASSRA's support I have been able to develop as a footgolfer from a local HASSRA participant to a World Cup player. HASSRA's funding has helped massively on my journey.

The best thing is anyone can also share this journey, I am nowhere near one of the best players out there, but I strive to keep improving and the Development Fund helps me do just that. I would encourage all members to see how the Fund can help them."
