

Dear HASSRA Members and Volunteers

The Covid-19 emergency is increasingly impacting many areas of our lives. HASSRA is also affected, with many of our activities postponed or cancelled as we follow government advice on staying safe. Some of our membership benefits providers are closing their facilities to ensure customers and staff stay safe. These developments may be inconvenient and disruptive, but your safety and the safety of your families, friends and colleagues must come first.

Days Out

Please carefully follow government guidance to ensure your own and your family's health and safety.

Most, if not all, cinemas are closed until further notice. For queries regarding eCodes already purchased, please contact Filmology directly at cinemabenefits.filmology@sodexo.com or 0800 0407 193

Sky Store

With the cinema unavailable, you can always check out our fantastic Sky Store offers on the [HASSRA Cinema page](#). These are still available and perfect for when you're staying at home.

Yocalm

And if you feel like some gentle exercise at home, why not try some calming yoga and meditation. Our special offer with Yocalm can be found on the [Offers page](#) in HASSRA Live.

Trek to Tokyo

Don't forget this year's HASSRA Livelife Challenge. The Trek to Tokyo can be a great way to keep fit and healthy at home. It can also keep you focused on achieving your goals and keeping in touch with colleagues *virtually*.

Keep in Touch and Stay Safe

This is a fast changing situation. Please keep an eye on HASSRA Live and HASSRA social media for regular updates on further developments. Above all, please follow the government's advice on Coronavirus and keep safe.
