The HASSRA Bake Off - Results

Inspired by the Great British Bake Off, HASSRA members were invited to get involved in the HASSRA Bake Off. Unable to taste members' efforts at the judging stages, results were based on cakes and cupcakes that looked and sounded delicious. With a theme of Autumn, members were invited to submit entries in either of the 2 categories:

- **Individual Cakes** – One tier or five tiers, any shape or size, as long as it looks good enough to eat.
- **Cup Cakes** – Bake anything from 2 to 20 cupcakes, they could be identical or a variety.

Congratulations to West Midlands members Kelly Wall, Emma Smith and Anna Matthews who were all Highly Commended in the Individual Cakes category. Their entries are detailed below:

Kelly Wall - Willenhall JCP

Kelly's cake was inspired by Diwali, an Autumn Festival of Light.

The cake itself is a rich chocolate cake, made extra light and moist by using a large tin of evaporated milk - chocolate cakes can be dry because of the addition of cocoa powder, so by adding the evaporated milk it gives it that extra moisture and flavour. There is a hazelnut chocolate buttercream in between the layers, giving it a rich flavour.

The gold piping and decorations on the cake represent the light.

Emma Smith - Bilston JCP

Emma's cake is 4 layers of traditional vanilla Madeira cake, filled with Madagascan vanilla buttercream and homemade strawberry jam. Decorated with handmade edible sugar flowers, autumn leaves and pumpkins to celebrate the baby shower of a baby due on Halloween!

No tricks, just treats!

Ann Matthews - Coventry Cofa Court

Ann's cake is a toffee apple and pecan sponge, with caramel Swiss meringue buttercream, covered with chocolate fondant. Ann used windfall apples that were donated to her, along with leftover toffee from a tin of Quality Street.

Autumn leaves in green, red and gold were the inspiration, reminding Ann that kicking leaves in the woods is not just for children!

The cake was donated to the care home where her daughter and daughter-in-law both work.
